The major part of my time is devoted to Healing Work and through the years I have seen many who are receptive and responsive to Truth to the extent of seemingly miraculous results. A local student has been healed of cancer. No other joy is commensurate with that of knowing that another has found THE WAY.

Have done amateur theatricals - taught school -- have had the privilege of serving in varied capacities in Club work. Have just retired -two terms as secretary followed by three terms as president of THE SPRINGFIELD WRITERS' CLUB.

Can send you a cut of my photograph a little latter - as it is at the printer's at present.

I consider this a very sweet gesture on your part - and I shall always feel honored to receive your invitation to contribute to it. If you desire any more information which I may offer - kindly let me know.

Thank you.
